The BPS Advantage

- ✓ **Trusted Expertise:** Veteran-owned and led by CPAs, CFEs, and certified professionals with Big 4 and senior federal leadership experience (GS-15 and above).
- ✓ **Integrity by Design:** We embed accountability, transparency, and measurable outcomes into every engagement—ensuring trust and excellence in all we do.
- ✓ **Proven Performance:** BPS delivers measurable results across multi-billion-dollar federal portfolios and transformation initiatives at agencies including HUD, DoD, FEMA, Treasury, OIG, and RWJF.
- ✓ **AI-Driven Innovation:** As an AI-powered financial and risk management firm, we combine intelligent automation, analytics, and digital workflows to enhance accuracy, speed, and insight in decision-making.
- ✓ **Integrated Capability Model:** Our unique integration of Audit & Risk, Financial Management, Grants Management, and Organizational Transformation ensures clients receive comprehensive, end-to-end solutions that connect strategy, compliance, and execution.
- ✓ **Mission-Focused Partnership:** We operate with a mission-first mindset, bringing the discipline of service and the agility of technology to help clients achieve lasting, data-driven transformation.
